

Starlings Cedar Rapids VB Club Fees for 2022-2023

Starlings Cedar Rapids VBC is a non-profit organization. All of the coaches on staff are volunteers and do not get paid for their time or travel. We do this to keep the club cost as low as possible in order to support the girls. All the fees go towards uniforms, tournaments, equipment, and hotel rooms (if needed for a two day tournament for those who cannot travel with family). Please understand that the cost of tournaments is rising so we had to make a slight increase to club fees to keep up with the tournament fee demands.

Parents are given the option to pay in full on the first payment date or make monthly installments until March 6th, 2023 of \$150.00 or remaining balance. However, the first installment of \$200.00 is due November 14th, 2022 for all team players. The next installment of \$150.00 will be due on the 1st practice day of every month starting January 2nd, 2023. No installment is needed during the month of December 2022 (Enjoy your holidays!).

Since our tournament is in San Diego, CA, we have quite the goal. Each player is provided many opportunities to seek sponsorships and fundraise for this goal. We have been very successful the last 5 years with this endeavor. When the girls want to play volleyball, they work hard to get the deed done!
